

*Key informants from the following areas/subject matter expertise are needed: education, health and nutrition, mental health, childcare, social services, transportation, communication, housing and disability services.*

## **Key Informant Survey**

### **Head Start/Early Head Start**

As a leader and expert in your county and state, we value your input and feedback to the following open-ended questions. Your answers are confidential and will be added to the answers of other key informants. Our objective is to study and use your input in order to design a more relevant plan that assist low-income families. This survey will take you between 20-30 minutes to complete. Thank you for taking time to share your knowledge with us!

1. What do you see as the top priority issues affecting early childhood development (0-4-year-old children) during the next four years in your city and/or community?
2. What do you see as the top priority issues impacting education for adults during the next four years in your city and/or community?
3. What do you perceive to be the number one priority issue or concern for the city and/or community leaders during the next four years? (i.e. environmental, economic, health, social, and others) Please explain.
4. In your opinion, what are the top two to three strengths of your city and/or community?
5. As a leader in the community, what are some persistent effects of COVID-19 that you have observed?
6. What is the status (reputation) of early childhood education and services in your city and/or community? Please explain.
7. Please offer any additional advice regarding community partnership and involvement that could be beneficial to the Head Start leadership in your city and/or community.
8. Please indicate your current position/title.
9. Please indicate your agency name.
